Culture, luxe workouts, girls trips (that make it out of the WhatsApp group) and dream bakes and cakes, this is what this week is about.

Plus, we are indulging in the best way to take in culture with meeting the most-wanted emerging artists and catching one of the world's finest operas. This is what we're loving in this week's Citizen Femme hotlist.

MEET THE ARTISTS HERE

Meet the Artists with Partnership Editions

Add a full cultural immersion this week with an exclusive 'Meet the Artists' event showcasing a selection of talent from Partnership Editions, the renowned curators of exceptional art by the most-wanted emerging artists, who will be available for private appointments throughout the day. Held at The Surprise in Chelsea, attendees will have the opportunity to hear from the artists themselves, learn about their creative process and view some of their exceptional works in an intimate setting. Artists include ceramicist and sculptor Lucy Whitford known for her acanthus leaf vessels that tell human stories of fragility, strength, and tenderness, Anne-Marie Williamson, the London-based artist whose unique practice combines embroidery, painting and quilting, Fanny Schultz, a ceramic artists based in the Swedish countryside who creates handmade tiles and vases, abstract artist Josefin Tolstoy from Sweden whose paintings are both expressive and vulnerable and so many more. The evening will see Tabby Booth hold an interactive painting workshop upstairs The Hamilton Room. Tabby will guide participants through her creative techniques and explore artistic expression.
